-  Meeting recorded
-  Microphones off
-  Rename yourself with  
Name / Organisation / Country
-  Write in chat
-  Raise hand to speak
-  Use headsets

#EUorganics

## Objectives

**Identify ways in which the role of the organic producer in the organic value chain can be strengthened through co-operation**

- **Explore current approaches to co-operation** in the organic value chain.
- **Identify potential areas of intervention** that can support collective actions across the organic value chain
- **Share good practices that illustrate success factors** for strengthening the role of organic farmers in the value chain

# TG Organic Food Chains

**Meeting 1**  
(15 September 2022)
