Objectives of the TG

1. To contribute to and enrich the **foresight analysis**
2. To act as a **platform or exchange hub** for facilitating the sharing, discussing and communicating of the results of different activities contributing to the LTVRA.
3. To contribute to a coherent and structured **dialogue with rural stakeholders** in different parts of Europe.
4. To **communicate** more widely with stakeholders and encourage sustained engagement.
5. To contribute to the **conference**.

Dialogue with rural stakeholders “Welcome to our rural”

Where will
we be in
2040?

1. Our rural area
 2. Where are we going
 3. Where would we like to be in 2040
 4. What are the enabling conditions for getting there

Growing momentum

Adapting the method to suit the context:

- **Austria and Belgium-Flanders:** Coaching-workshop for LAGs
- **Belgium-Wallonia and Ireland:** Workshop with the NRN members
- **Poland:** Research institution to carry out structured focus group interviews
- **Sweden:** 1-2 workshops, analysis of 10 recent local development plans
- **Finland:** Rural2040 - updating rural 2030. Open discussion platform. 3 Virtual Foresight camps including youth camp
- **Greece:** Possible workshops for clusters of similar areas (mountains, islands, coastal, etc)
- **Other** – H2020, stakeholder organisations, EU Institutions....

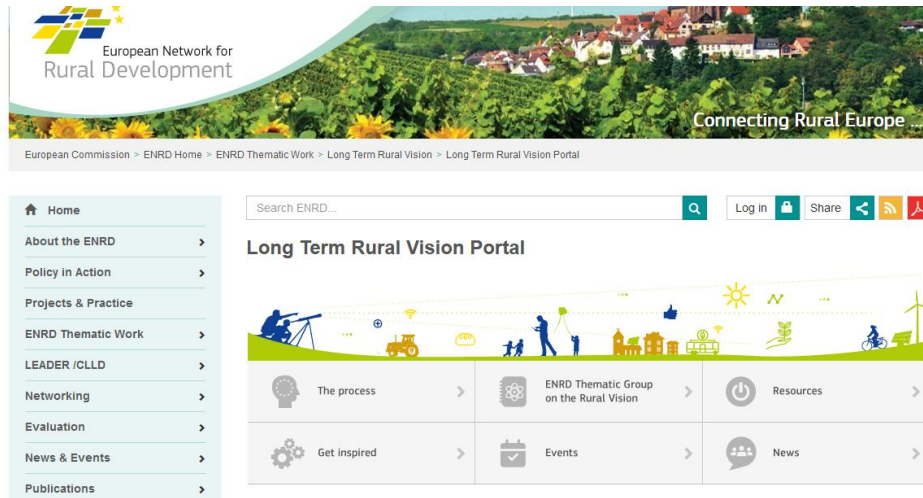

Acting as an exchange platform

1. To **pool information and share results** of stakeholder engagement – NRNs + others
2. To share ideas emerging about **enabling conditions** for achieving the Long Term Vision
3. To add to and strengthen **key messages**
4. To feed into a **report** (tbc)
5. To contribute to the **conference**
6. To **communicate** more widely
