

# ENRD Thematic Group on Sustainable Management of Water and Soils

## Agenda of the 3<sup>rd</sup> meeting

22 March 2018

Rue de la Loi, 38, 2<sup>nd</sup> Floor, Brussels, Belgium

### Objectives

The specific objectives of the third meeting of the thematic group are:

- To **provide an overview of the findings from collected existing initiatives and projects** on sustainable management of water and soils.
- To allow participants to actively engage in working discussions on **success factors and bottlenecks on the use of results-based management schemes, collective approaches and nutrient management.**
- To explore **the role of RDPs in creating an enabling environment** for sustainable management of water and soils.

## Agenda of the 3<sup>rd</sup> meeting
